Lodging Market Data Book

**Convenient and
comprehensive
market study**

Multiple data sources combined into one easy package you can use in your own reports

Lodging Market Data Book

Jumpstart your marketing analysis with a Lodging Market Data Book. Market Data Books combine data from multiple sources to provide a comprehensive portrait of a lodging market. Data from our Trend Reports, economic and demographic data, new hotel construction data from TWR/Dodge Construction and airport deplanements form a total picture of a particular market.

The color charts and graphs in a Data Book are presentation-ready. Cut and paste them into your own reports and studies for a highly professional look in a fraction of time. You choose the market you would like to research, and STR does the rest.
