

STR is seeking an Operations Analyst for the Operations and Client Services team. Key responsibilities for this role include: data analysis support for the operations team, assisting with management of selected clients, building and maintaining dashboards, and delivery of ad-hoc data and report requests from departments across the company. If you are a self-starter, dedicated to service and delivery, a team player and enjoy working with big data you will thrive in this position.

Founded in 1985, STR is the global leader in data solutions and analytics for the hospitality industry. We are a rapidly growing company with ambitious plans for the future, and we pride ourselves on being a trusted partner to our worldwide client base as well as being a great place to work. STR has been recognized as one of the “Top 10 Coolest Companies to Work for in Nashville” in addition to earning a #1 ranking on a Tennessean Top Workplace poll and a spot on Inc. 5000’s list of fastest growing companies.

Attributes and experience desired:

- Bachelor’s degree
- An analytical thinker that excels at interpreting data and communicating findings
- A desire to exceed expectations of internal partners and external clients
- Advanced experience with Excel, Salesforce.com, and business intelligence platforms
- Ability to manage multiple priorities and hit deadlines
- High level of curiosity
- Strong written and verbal communication skills
- A roll-up-your-sleeves attitude
- Detail oriented
- Ability to work independently and as part of a team
- Entrepreneurial mindset

Preferred experience:

- Experience working with data visualization software (e.g. Tableau)
- Dashboard requirements gathering and design
- Working knowledge of hotel and tourism industry

Some travel, including international travel, may be required on a very limited basis

This position is located in our international headquarters in Hendersonville, TN, just north of Nashville.
