### Overview

This packet summarizes vacation break dates for the 2011/12 academic year for a sample of U.S. public school districts and universities. The Calendar is designed as a forward-looking planning tool for destinations and lodging properties and has proven to be an effective resource for anticipating future leisure demand and lodging occupancy patterns. The calendar provides graphical and tabular summaries of the start date, winter break, midwinter break, spring break, and end dates for up to:

- 278 school districts, encompassing approximately 32 percent of the nation's public school students, with locations in 44 states plus Washington D.C.
- 269 four-year universities, encompassing approximately 47 percent of the nation's four-year university students, with locations in all 50 states plus Washington D.C.
